WITH THE HAMS

Logan J. Hines, W9CIO, former vice-president of the MSOE Amateur Radio Club, and a student in Term IXB Electronics, took second place in the Milwaukee Amateur Radio Club ten meter contest, December 22, 1949.

Winners of the MSOE Radio Club Contest were announced at the meeting of the club, January 20. First prize went to Elton Stolberg, W9IWT, who contacted 33 out of 48 states; second prize went to Neil L. Christenson, W7NOW, who connected with 30 out of 48 states, and third prize went to Ben Guerard, who CQ'd 26 out of 48 states.

James Boyd W9HXV, president of the MSOE Amateur Radio Club, announced a new contest for non-licensed club members. The contest will be of the international code speed type, at five, ten, and fifteen words per minute. Prizes will be awarded to the winners in each class which is to be determined by the Executive Board. Elton Stolberg is in charge of the contest.
